The net increase is only 2 Rs per month but the financial condition is very encouraging. If the Municipality will effect such other expenditure to lead just their expenditure as not to throw any excess over the present expenditure at all events, the scheme may be approved. It has however to be stated that this increase is done by giving [illegible] and reducing the number of under paid servants which is considerably the disadvantage in the number of such servants.

have such proposals will not come up ere long to increase the number If the number does not require any increase it is clear that the Municipality had got more men than necessary hitherto and a great need exists for scrutinising into the expenditure to see if retrenchments are not possible

SIR,

I have the honor to state that 5 sweepers on Rs 6 each and theree sweepers or Rs 5 , each were doing the Conservancy work in the Periyapatana Municipality As these belong to Holeya caste, it is reported that they resigned their posts owing to caste prejudices As no other sweepers were available, there the Vice president of the Municipality Board reports that he had to get men from Mysore for the work, that 5 males and 2 females of Vaddar caste have been appointed as sweepers with effect from 1st July last and that their pay has been fixed as per margin as approved by the Municipal Board (vide Resolution copy attached)

I have the honor to request that Government may be pleased to accord sanction to the entertainment of 5 male sweepers at Rs 7 each and 2 female sweepers on Rs 6 each for the Periyapatna Municipality with effect from 1st July 1911 As the budget estimates for 1911-12 have already been submitted in which the provision made for 1910-11 has been retained, I request that necessary provision may kindly be caused to be made for the excess cost Viz Rs 2 per mensem or Rs 24 per annum

I have the honor to be
sir,
